

A Legacy of Living Well.

SelectConnect™ Patient Portal

You are an important partner in your rehabilitation at Stonehill Communities. We are dedicated to keeping you informed of your progress as you work toward your goals.

As a complement to personalized, expert therapy services provided by Select Rehabilitation® at Stonehill Communities, we now offer SelectConnect™ Patient Portal for many post-acute inpatient residents. This application allows for 24/7 access to patient progress and outcomes shared directly from the electronic medical record.

SelectConnect™ Patient Portal

Who can access SelectConnect™?

Stonehill residents and their family members are able to access SelectConnect™ to monitor resident progress and outcomes of rehabilitation goals.

Is SelectConnect™ secure and confidential?

SelectConnect™ is HIPAA compliant. Each person receives their own secure login information. Resident data and progress is pulled directly from the therapy department's electronic medical record.

How do I get connected?

Contact your Social Worker to find out if you are able to get connected. You can access SelectConnect™ Patient Portal online from a computer, tablet, or smartphone.
